

**WIN \$1000**  
8 prizes in total

'Together is Greater Than One' invites you to explore the power of unity and collective action. It's about recognizing that when we work together, we can overcome challenges, lift each other up, and create a stronger, more equitable society. Just like the Aristotle quote "*the whole is greater than the sum of its parts*", 'Together is Greater Than One' reminds us of the importance of supporting each other and the benefits of working collaboratively to accomplish a mutually agreed upon goal.

# 2Gether > 1

*Get inspired by this year's theme and write a poem, short story, essay or create a drawing or painting that explores the theme. We even have a category for digital productions such as videos and songs. Share your creative vision with the world!*
